

Immersive Internship Programs

Learn better. Travel further. Dream bigger.

Beyond Academy

Become a better you with every step you take.

#GoBeyond

Career supercharge.

We believe in the transformative power of education, and began our academy to complement the university curriculum. We understand the importance of experience alongside exams. That's why we designed immersive internship programs to empower and enrich students. Our carefully designed programs provide global work experience and industry-focused learning to young people.

All Beyond programs include a guaranteed professional internship, 1-to-1 career coaching, workshops & training, CV tool-kit, online learning portal access, amazing trips and events, 24/7 support, and much more. Available full time or part time (remote only), duration 1-6 months, and start dates every month.

Stand out to employers.

> **97%** of students who went abroad during university found employment within 12 months of graduation vs a 49% norm.

We take care in understanding each student's unique background, experience, skill sets, and goals - and tailor their programs with the perfect ingredients for their individual career success. We partner with 1000+ companies worldwide, including:

ESTĒE LAUDER COMPANIES · MAZARS AUDIT • TAX • ADVISORY · Johnson & Johnson · SAXO BANK

Hear from other Beyonders.

“The Beyond team put so much effort into understanding my background and what I’m looking for, before matching me with my internship company and role. I recently got a job offer from an amazing company and I’m pretty sure my London internship was a big reason why.”

“I had such a great time living like a local, and have made some fantastic friends. Tokyo is the most magical place, if you are thinking of interning there do not hesitate. Thank you so much Beyond - you guys have honestly changed my life!”

Spotlight programme:
Tokyo Immersive Internship

Step inside Japan's unique culture with an internship in Tokyo, where leading tech and ancient traditions meet.

Career Development

Internship starts!

Settling into a new country and a new job may be challenging, but Japan's hard-working culture is focused on collaboration. This teamwork extends into socializing beyond the office, helping you tune into both the people and the place.

Immersive workshop

Run by inspiring speakers and trainers, our immersive workshop helps you hone your skills and build your confidence, for lasting career success.

Networking event

Get regular invites to curated professional networking events - a great and fun way to build your global contacts.

1-to-1 coaching session

This personal session offers the rare opportunity for you to sit down with a qualified career coach, understand your strengths and weaknesses, identify goals, and map out future career plans.

Online learning & CV toolkit

You will also have access to our CV tool-kit and online learning portal full of curated tools and resources, so you can get the most out of your internship and your future career development.

A local community

Tokyo will feel like home in no time, and the community team and other interns will soon be like a second family. From airport pickup to farewell dinner, we are here to make sure that you feel supported 24/7, from the moment you arrive.

Orientation & welcome dinner

Organized by our local Community Team on the weekend you arrive, our orientation will give you a full intro to the program, the city, and your fellow interns - so you can make new friends and get ready for the transformative few months ahead.

Shinjuku night tour

As the neon flairs into life, join us on a night walking tour of the busy Shinjuku. Eat and drink as locals do, from the modern to the traditional.

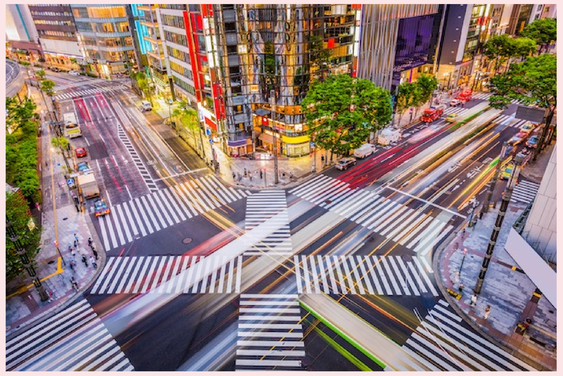

Mount Fuji day trip

Take a trip to the iconic Mount Fuji. Breathe in the extraordinary scenery and stroll through the amazing array of seasonal colours on display.

Sushi workshop

Pick up some of the best quality ingredients on your tour of the huge Tsukiji market, and learn how to make jaw-droppingly good sushi from a sushi master.

Virtual Immersive Internship

An immersive global career and cultural experience,
all from the safety and comfort of your home.

Structured curriculum

Orientation week

Our action-packed orientation week will get you fired up and ready for the virtual world. Meet your Beyond mentor and fellow remote interns in our online welcome session, join webinars on remote working, set goals for the coming weeks, and take part in fun online team-building games.

Working with timezones

To avoid any logistical issues due to timezone constraints, your internship will follow a structured training plan. You will finalise this with your host company at the start of your internship. You will primarily work on collaborative projects, and join virtual meetings during overlapping work hours. We have internships available at 20, 30, and 40 hours per week. Full time or part time – it's your call!

Personalised mentorship program

Certified career coach

Sit down with your career coach for a tailored coaching session. Walk through plans and goals, and explore who you want to be both professionally and personally.

Industry specific advisor

Covering all 18 of our industries, with experience ranging from 3 to 20 years – our advisors are ready to share with you their tips, stories, and challenges of starting, working, and succeeding in their own industry. Pick the advisor that most aligns with your career goals or concerns, and get ready for one of the most rewarding 1-to-1 career sessions ever!

Host company supervisor

Your host company supervisor will check in with you from time to time, to make sure that you progress surely and steadily throughout the internship.

Dedicated Beyond mentor

We want you to feel supported and engaged throughout the entire virtual program experience. Your dedicated Beyond mentor will check in with you on a biweekly basis, and be there for you whenever you need help.

Stay connected

Your virtual community

Working remotely doesn't mean working alone! You will join a virtual community of existing and new interns. Whether you're a WFH pro or newbie, you'll feel connected. Join our biweekly virtual hangouts to chat with fellow interns and share your experiences. Our online Community Manager will also be on hand to support you throughout your program.

Travel without traveling

Thought that remote internship was all work and no play? Think again! Get the social and cultural experience that typically comes with our internship programs abroad – just virtually. Our bustling social calendar includes invites to online professional networking events, virtual cultural events and activities, online talks and webinars, and many more.
